### **Chart Patterns**

#### **T-Square, focal planet Venus**

You have a T-Square in your chart. With a this planetary aspect pattern, in which three planets or conjunctions are in square with one another, you have a high degree of motivation and drive. Your energies are most easily and habitually expressed by the energy of the focal point, the middle of the T-Square. You may also compensate for overdoing in the area of life represented by the focal point, by leaning toward the empty pattern element opposite the focal point, seeking to balance your activity. The lesson of this planetary aspect pattern is in learning to use your considerable energy wisely in the pursuit of your true goals. There is great tension represented by the focal planet or planets in your chart, where conflicting parts of your personality attain their focus and peak of energy, and you may observe compulsive behavior in the area of life represented here.

Venus in Cancer gives a sensitive and caring nature, very devoted and loyal, with emphasis on security. Your affections operate at an unconscious and instinctual level. You are fond of children and the life of the home, and may be mothering rather than mating in the expression of your relationship energy. You are gentle, receptive and charming, and inclined to be sentimental or nostalgic. The Sound of Music might be your favorite movie. You feel best when you are involved the closeness and intimacy of a family relationship.

Venus in the Eighth House represents a deeply felt connection between what one values, affection and intimacy. You are likely to benefit from close associations with others, either materially or spiritually. You are likely to be sensual and passionate in relationships, and tend to relate to even casual contacts on a deeper and more personal level. For you, there is no such thing as a superficial contact with others. You may also appear friendly on the surface while acting selfishly at another more hidden level of your personality. You benefit from curbing the willful expression of your passion. You may feel called to express artistically the hidden realms of being, such as death and dying or the occult.

#### **Yod, focal planet Moon**

You have a Yod planetary aspect pattern in your chart, also known as the 'finger of God'. This pattern consists of two different planets forming Inconjunct aspects of 150° to a third, or focal,

point. Usually there will be a marked emphasis on the area of life represented by this focal point, which may be one planet, or two or more in conjunction. You may have physical or psychological problems associated with the expression of the energies of the focal planet or planets, creating a subtle form of tension in your life. Your lesson is to transform the expression of these energies along more positive lines.

The Moon in Taurus gives a personality with a deep need for security, centered in the material world. You are possessed of powerful emotions, and you are also charming, good-natured, and attractive. The material world can be of importance to you, for it makes you feel comfortable to be in nice surroundings. You are also very practical, proud and stubborn, and should beware of acting conceited. You are likely to attract a loyal and loving partner.

The Moon in the Fifth House represents an emotional sensitivity in the area of interacting with other people. You feel a need to express your emotions in an expressive or dramatic way. You may feel the need to be seen or witnessed in order for you to feel connected with other people. You are demonstrative with your compassion and your affection. You are passionate in your approach to life. Your affections are also changeable. You can be very charming. You enjoy amusing others, and you are drawn to places where people play and take holiday from the serious realms of critical and analytical thinking although you may overwhelm others who are not inclined towards the outward theatrical expression of their emotions. You have a need to be surrounded by people who enjoy being your audience and who value your playful performances of self expression. You are at your best when you can drop your concern for other's opinions and relax into just being yourself.

### **Important Features**

#### **Jupiter in Pisces (16 Pis 08 14R)**

##### **Jupiter in the Third House**

Jupiter in the Third House (or sign) gives a charming, talkative, and clever personality, who also tends to be somewhat scattered. You are fond of travel, intellectually enthusiastic and make a good teacher. You are optimistic, and you are also apt to be changeable. You may lose opportunities through lack of an ability to focus, or you may be rash of speech (especially if there are challenging aspects to Jupiter in your chart). You should beware of a tendency to superficiality or self-centeredness.

Jupiter in Pisces (or the twelfth house) gives a quiet and unassuming personality. You are good and kind, very considerate of others, and are friendly and easy-going. You need to feel an emotional sympathy in order for your work to be satisfying to you. You have your own personal code of conduct to which you are true, no matter what public opinion may be, or convention may dictate. You may suffer in your life from being overly sensitive to the needs of others. You tend to work behind the scenes, and do not seek personal glorification from your actions, but are content to do what you do because it is helpful to other people.
